REPORT OF NORFOLK COUNTY ROAD SYSTEM

To the Warden and Members of the County Council of the County of Norfolk.

Gentlemen: I beg leave to submit to your honourable body my thirty-third annual report on the Norfolk County Road System.

The work as laid out in the Road Committee's report and submitted to the County Council at the May meeting last year was adhered to as nearly as possible.

The chief features of the work during 1949 were as follows: **Construction:** $4\frac{1}{2}$ miles of Grading and Graveling, 3 miles of Tar-Sand Stabilization 6" thick, 5.95 miles of New Mulch roads. **Special Maintenance** 96.25 miles of Retreatment, 3.45 miles Mulch Patches, and the completion of the Equipment Building.

Construction work in detail:

Road 2—New Mulch 1.5 miles, 20' wide. This work was done where the corduroy had been taken out in 1948, cost \$7,044.39.

Road 4—New Mulch 2.75 miles 22' wide, cost \$17,642.34, With the completion of this road the people of Houghton Township, from $2\frac{1}{2}$ miles south of Fairground now have a hard-surfaced road to Tillsonburg. Also, the town line between Houghton and North and South Walsingham is completed to the Fifth Concession of South Walsingham affording this part of the County with a hard surfaced road to either Simcoe or Tillsonburg.

Road 5—On the town line between South Walsingham 1.5 miles Tar-Sand Stabilization 6" thick 20' wide, cost \$10,-851.58.

Road 7—South of Fairground 1.5 miles Tar-Sand Stabilization 20' wide, 6" thick, cost \$11,888.10.

Road 7—In Charlotteville .8 miles of Mulch 20' wide, cost \$4,190.48. Part of this road will require another Mulch surface on account of the unstable condition of the base.

Road 8—South of Courtland .2 miles Mulch 20' wide, cost \$1,054.26.

Road 9—North of the Lake Shore road 1 mile of Grading and application of Stone and two large Culverts installed, cost \$14,365.25.

Road 10—Along the Provincial Forestry Station .3 miles Mulch, cost \$1,144.15.

Road 11—South of No. 3 Highway 1.5 miles Grading and Gravelling and 3 Culverts installed, cost \$8,552.85. This road is now in condition to receive a Mulch surface from No. 3 Highway to County Road No. 7. When this is completed there will be a hard surfaced road from No. 3 Highway to Turkey Point.

Road 14—In the Township of Windham 2 miles of Grading and Gravelling. This road has been widened to a standard width of 66' from an average of 40'. This work involved a great amount of Cut and Fill. In addition to the removal of a large number of trees from the right-of-way, two Bulldozers and Earth Removers were employed. Approximately 4000 tons of gravel will still have to be applied before a Mulch surface can be laid. When completed this will provide a direct route from No. 3 Highway at Delhi to No. 24 Highway at Oakland. This road was taken over as a County Road in 1925, and the completion of the same will be of great advantage to the travelling public.

Road 21—South of St. Williams .4 miles Mulch 20' wide cost \$2,009.13. This road leads to the dock at St. Williams. A Mulch can be applied to the balance of the road after some underdrainage is done on the east side of the hill.

County Bridges	1,234.26

In addition to the above work the County Organization did considerable work for the Towns and Villages. The County Power Grader worked 497 hours. On account of this the County had to hire a Grader from S. Walsingham for 324 hours and one from the Township of Windham for 61 hours. If the County Organization is to continue with the work for the Urban Municipalities, and considering the agreements which have already been made with the Villages of Delhi and Port Dover, it may be necessary for the Road Committee to purchase an additional Power Grader this year.

Six Junior Traffic Counters were purchased. These were used in various parts of the County to determine the number of vehicles using the roads at different parts of the county. It was intended to take both Summer and Fall readings, but due to the weather we were unable to complete all of the Fall readings. We had some little trouble due to the rubber tubing across the road being cut or pulled through the staple, but as the readings were taken every morning we

were able to take an average from the previous and succeeding days. Some people apparently thought they were set for speed traps. The Counters were placed at various stations and retained for one week. They were read each morning as nearly as possible at the same time. The first set of stations were on Road No. 9. I will not attempt to give the count for each day but will give the count for the entire week, the daily average and the highest count for one day.

The Equipment Building was completed in the early Spring of last year and an inspection was made by the County Council. Since that time a high woven wire fence has been erected to ensure the safety of machinery and materials. This will now be the headquarters for practically all materials of the System. Fred Norman, on the completion of the building, was appointed in charge of the Building and all County Machinery. Under advisement of the Committee he has been appointed a general Foreman of the County Road

System. Harry Girling, from now on will be employed at the Building and will supervise the repair and inspection of the County Machinery. Truck drivers have been instructed that the trucks must be brought to the Building once a week for inspection.

W. C. McDowell was appointed as an Assistant to myself. He has applied himself very effectively to the work of the System. He has been in charge of all surveys and laying out of the work and various other work.

The system of bookkeeping is very intricate and during the past year or two Miss King has had particular difficulty with regard to getting sufficient information as to the disposition of the Stock Account, also repair parts to the machinery. W. C. McDowell has taken an interest in this matter and has evolved a system which will help in this matter very considerably. During the past three weeks he and Fred Norman have made a complete inventory of all machinery, repair parts, tools, and materials owned by the System. In future all materials and tools will be supplied from the Equipment Building and charged to the particular job for which they are required. Stock books have been prepared and Mr. McDowell will take charge of this work for the next few months and will assist Miss King so that the information will be satisfactory to the Provincial Auditors.

The following is a summary of the County Road Accounts to be submitted to the Honourable Minister of Highways for subsidy on the work of 1949:

In November, the Honourable Minister of Highways, Mr. George Doucett, accompanied by Mr. J. A. P. Marshall, Chief Engineer of Municipal Roads, and our District Municipal Engineer, Mr. T. S. Caldwell, paid an official visit to the Road Committee and discussed various matters pertaining to County and Township roads. This visit was appreciated very much by the members of your Road Committee and myself. The close co-operation and assistance of Mr. Caldwell during the past is also much appreciated.

I desire to express my thanks to the Road Committee and County Council for their co-operation and assistance during the past year. Your Committee kept in close touch with the work and made a number of inspections during the season. The County Organization showed an excellent spirit of co-operation during the year and I express my thanks to them for this.

All of which is respectfully submitted. I have the honor to be, Gentlemen,

Your Obedient Servant,

GUY R. MARSTON

County Engineer and Road Superintendent

Dated at Simcoe,

This 19th day of January, 1950.

REPORT OF THE COMMITTEE OF THE WHOLE

To the Warden and Members of the County Council of the County of Norfolk.

Gentlemen: Your Committee of the Whole begs leave to report the following:

That the Membership fee of \$10.00 be paid the Ontario Association of Managers of Homes for Aged and Infirm; that the delegates for the thirty-first Annual Convention be the Superintendent, the Manager, and the Sub-Committee on County Home.

That the annual affiliation fee of \$50.00 be paid to the Ontario Agricultural Council and that the members of the Agriculture Committee be delegates to the Convention in February.

No action taken to join the County Council Section of the Ontario Educational Association and to send representatives to the convention next Easter.

That the Membership fee of \$10 be paid the Ontario Association of Rural Municipalities and that Mr. D. C. Porter be the delegate to attend the Convention.

That the Membership fee of \$15.00 be paid the Ontario Good Roads Association; that the County Engineer, Assistant Engineer, and all members of County Council attend the Convention.

That the Membership fee of \$10.00 be paid the Association of Assessing Officers of Ontario, and that Mr. R. P. Quance, County Assessor, attend the Convention.

Resolution from the County of Perth was endorsed petitioning the Dominion Department of Labour to provide a more careful selection of Displaced Persons from Europe to insure that only those interested in Agriculture and those willing to remain in Agriculture for at least five years are permitted to enter this country.

Resolution from the County of Hastings was endorsed to urge the Department of Health to assume the cost of all temporary polio hospitalization in all hospitals as at present 100% of all hospitalization costs of poliomyelitis cases are paid in only ten or twelve designated hospitals throughout the Province.

Resolution from the County of Middlesex was endorsed requesting Legislation be enacted to provide compensation for damage to Motor Vehicles and Occupants of such Vehicles by deer running at large on public highways.

Resolution from the County of Kent was endorsed requesting the Ontario Government to amend the High School Act whereby the basis of cost of building and operating High Schools shall be on equalized assessment, local assessment, population and attendance in place of entirely on equalized assessment.

Resolution from the Township of Windham recommending that certain Lots be included in the Norwich District High School Area, this matter to be laid over till the March session.

All of which is respectfully submitted.

CHARLES BIRDSALL, Chairman.

BY-LAW No. 906

A By-Law to authorize the borrowing of \$407,000.00

WHEREAS the Council of the Corporation of the County of Norfolk deem it necessary to borrow the sum of Four Hundred and Seven Thousand Dollars, to meet, until the levies are collected, the current expenditures of the Corporation for the year 1950, the amount being less than seventy per cent. of the revenues for 1949.

AND WHEREAS the total amount of the revenues of the Corporation as set out in the financial statement for 1949, not including revenues from borrowings and issue of debentures is \$582,195.17.

AND WHEREAS the total amount heretofore authorized to be borrowed for the year 1950 for the purposes mentioned in Sub-Section of Section 339 of the Municipal Act is \$407,000.00, of which the Corporation has not already borrowed any sum.

THEREFORE THE COUNCIL OF THE CORPORATION OF THE COUNTY OF NORFOLK hereby enacts as follows;

1. The Warden and Treasurer are hereby authorized on behalf of the Corporation to borrow from time to time by way of promissory notes from the Bank of Montreal, or from such other source to the best interests of the County, a sum not exceeding in the aggregate \$407,000.00 to meet, until the levies are collected, the current expenditures of the Corporation for the year, including the amount required for purposes mentioned in Sub-Section (1) of the said Section 339, and to give on behalf of the Corporation to the Bank or other persons a promissory note or notes, sealed with the Corporate Seal and Signed by them for the moneys so borrowed with interest at the rate not exceeding four per cent. (4%) per annum, which may be paid in advance or otherwise.

2. All sums borrowed from the said Bank or other sources for any or all of the purposes mentioned in said section 339, shall, with interest thereon, be a charge upon the whole of the

revenues of the Corporation for the current year and for all preceding years, as and when revenues are received.

3. The Treasurer is hereby authorized and directed to apply in payment, of all sums borrowed pursuant to the authority of this By-Law, as well as all other sums borrowed in this year and any previous years from the said Bank or other persons for any and all of the purposes mentioned in said Section 339, together with the interest thereon, all of the moneys hereafter collected, or received on account or realized in respect of the levies for the current year and preceding years, and all the money collected or received from any other source, which may lawfully be applied for such purposes.

AUDITORS' REPORT

Bank of Commerce Building,
Simcoe, Ont., January 10, 1950.

To the Warden and Councillors of
The Corporation of the County of Norfolk.

We have audited the books and accounts of the Corporation of the County of Norfolk for the fiscal year ending December 31, 1949, and have prepared statements as set forth in the accompanying index.

In connection therewith, we report that we have obtained all the information and explanations we have required, that, in our opinion, subject to the following comments, the transactions that have come under our notice have been within the powers of the Municipality, that, the balance sheet and related revenue accounts are properly drawn up to exhibit a true and correct view of the state of the affairs of the Corporation of the County of Norfolk as at December 31, 1949, and of the results of operations for the year then ended according to the best of our information, the explanations given to us and as shown by the books. In our opinion, we have complied with rules respecting municipal audits as prescribed by the Department of Municipal Affairs.

Accounts Receivable and Accounts Payable are included in the attached statements on the basis of information supplied to us by County officials and have not otherwise been certified by us.

Operations for the year 1948 have resulted in a surplus of \$19,669.49 after the transfer of \$14,229.17 from surplus to revenue. This operating surplus as compared with budget estimates arises as follows:

Actual Expenditures Less Than Estimated Expenditures

Roads	\$ 1,968.68
Administration of Justice	5,091.48
Agriculture	836.46
Education	212.83
General Administration	8,336.51
Charity and Welfare	3,223.53
	<hr/>
	\$ 19,669.49

No provision has been made in the attached statements for the 1949 provincial subsidy on County Home expenditures which has not been received nor has the amount been determined. The subsidy, if received, is to be apportioned to the contributing municipalities and will not thus affect the surplus of the County of Norfolk.
